

Indian Red Cross Society

District Branch Surguja

“ **Red Cross** ” is a voluntary International Organization which was founded by Henry Dunant in 1863 with the view to serve the injured and the berieved on the battlefield . Later on its motto became to serve the wounded and suffering humanity both during war and in the peace time.

Red Cross in India :- In the year 1920 a Bill was introduced in the Indian Parliament for the constitution of the Indian Red cross society which was passed on March 27, 1920 and was known as Indian Red cross society Act.

The Basic principles of Red cross :-

- (1) **HUMANITY**
- (2) **IMPARTIALITY**
- (3) **NEUTRALITY**
- (4) **INDEPENDENCE**
- (5) **VOLUNTRY SERVICE**
- (6) **UNITY**
- (7) **UNIVERSALITY**

Objectives of the Red cross :- The Red cross society works mainly on three principles –

- (1) **To save life and health.**
- (2) **Service to others.**
- (3) **Internatinal Goodwill**

Indian Red cross society Distt. Branch Surguja :- In Surguja district the Indian Red cross society (Distt. Branch) is being run under the Rules and Regulation 2001, adopted by the Chhattisgarh (State Branch) Raipur. With all its supporting units (Junior/Youth Red Cross Meternity and child welfare, Nursing and Ambulance service and rescue units dealing with flood, Earthquake, Famine, Epidemic, Natural Calamity etc.) it is functional in the district..

For the first time in surguja district the awareness programme regarding blood donation and the importance of blood donation is being given prime importance. Hence a directory of the people belonging to different blood group is being uploaded on the website for the betterment of the people. Wishing cooperation and active support from you all.
